

DentiMints[®]

CHEWABLE DENTAL MINTS

Brushless, Waterless, On-the-Go Oral Care

Chew ✦ Swish ✦ Clean ✦ Fresh

Meet DentiMints™

Oral Care On the Go - No Brushing. No Rinsing. No Water.

A chewable dental mint delivering full-mouth hygiene in 30 seconds

Replaces brushing and rinsing - no water or tools required

Pocket-sized, resealable, and made for people who live beyond routine

Clean-label formula: sugar-free, fluoride-free, SLS-free, dye-free

Built for tough environments: camping, hiking, hunting, fishing, off-grid travel

The Challenge

Oral Hygiene Is Difficult When You're Off the Grid

There are no sinks or clean water sources when you're out on the trail or deep in the field

Traditional hygiene routines just don't fit properly into outdoor life

Most people have no real oral care plan once they leave the pavement

Toothbrushes, pastes, and rinsing solutions are messy, bulky, and often left behind

Snacks, drinks, and dry air contribute to buildup and discomfort

The Oral Hygiene Challenge in Outdoor Life

When You're Hiking, Camping, or Hunting - Routines Don't Come With You

DentiMints™ offers a compact, effective oral hygiene solution that works wherever you go

Long hours or multi-day trips lead to skipped oral care

No access to clean water or sinks for traditional hygiene

Field snacks, drinks, and chewing tobacco increase oral health risks

Outdoor gear rarely includes hygiene tools - until now

The Solution

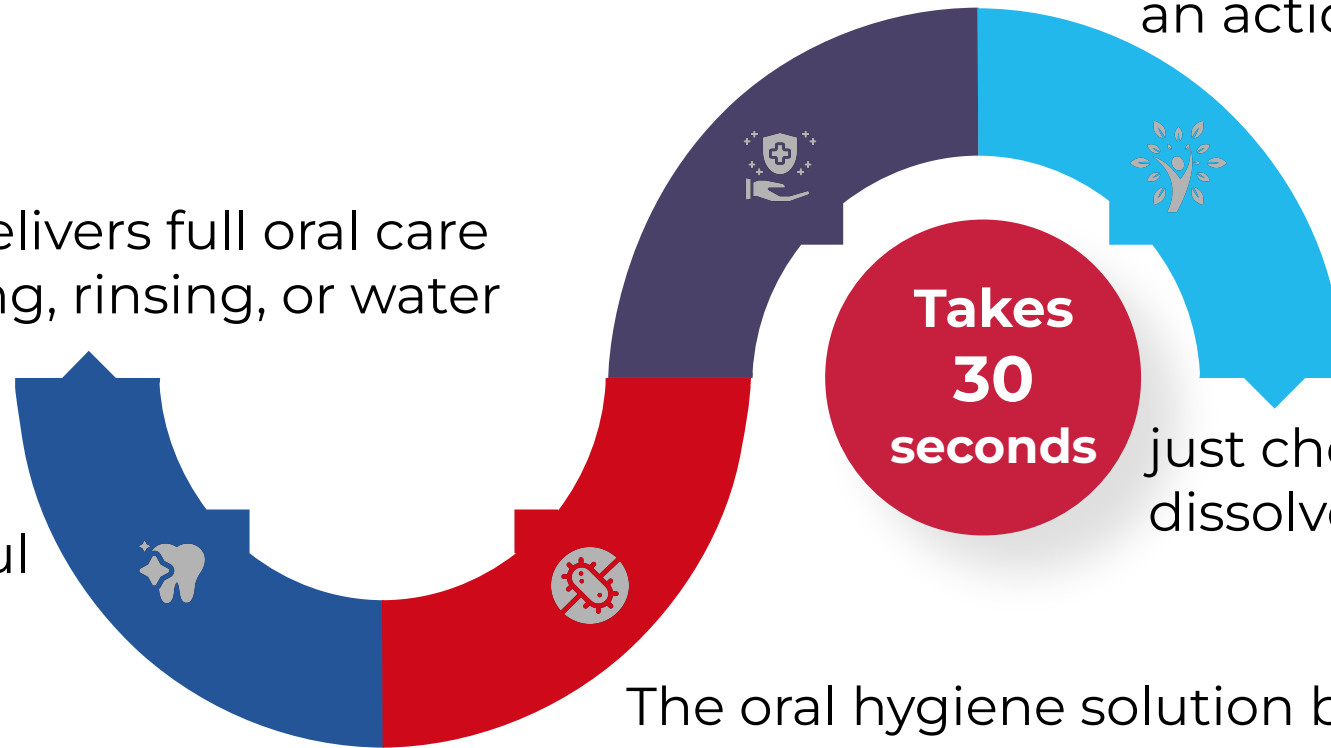

Real Oral Hygiene - Anywhere You Go, In Under 30 Seconds

Ideal after snacks, drinks, or an action packed day outdoor

DentiMints™ delivers full oral care with no brushing, rinsing, or water

Helps reduce harmful bacteria, freshen the mouth, and clean surfaces

just chew and swish as it dissolves

The oral hygiene solution built for trailheads, campsites, treestands, and riverbanks

How It Works

Chew. Swish. Clean. Fresh.

No toothbrush? No sink? No problem!

Chew the tablet to activate cleaning and antibacterial ingredients

Swish as it dissolves – no brushing or rinsing required

In 30 seconds, it supports oral hygiene and freshens the entire mouth

No water, no sink, no mess - just a clean mouth, wherever you are

Oral Care For Real Life

For When You're Miles From the Nearest Sink - Or Simply Don't Have Time

Backpacking in the backcountry. On the water at dawn. Glassing from a ridge. Wherever you are, DentiMints™ gives you a way to maintain hygiene - without breaking rhythm.

It fits in your pocket, not your toiletry kit.

How DentiMints™ Supports Outdoor Users

A Brushless, Waterless, Hygiene Option That Goes Everywhere

Perfect for hiking, hunting, fishing, camping, and overlanding

Packable and resealable - fits in pockets, packs, vests, or dry bags

✦ Helps clean the mouth & protect oral health when routines aren't realistic

Works after meals, snacks, drinks, or long hours outdoors

A true oral care solution that finally fits the outdoor lifestyle

Trusted, Effective, Proven Ingredients

Formulated to Support Full Oral Hygiene in Any Environment

ExoCyan Cran™

- Patented cranberry extract with antioxidant properties that help reduce harmful bacteria and support gum health

Xylitol

- A natural sweetener that helps prevent plaque buildup & supports a balanced oral microbiome

Calcium Lactate

- A bioavailable mineral that strengthens enamel and aids in remineralization

Sodium Bicarbonate

- Neutralizes acid, balances oral pH, and helps remove debris

Silica

- A mild abrasive that helps clean and polish teeth when traditional brushing isn't possible

Scientifically Supported Oral Care

Every Ingredient Has a Purpose - and a Proven Track Record

Uses ingredients studied for their role in supporting full-mouth hygiene

Supports total mouth health - even when brushing and rinsing aren't possible

Reduces bacteria that cause buildup, odor, and oral discomfort

Helps protect the gums and balance pH after snacks and acidic drinks

Gentle enough for daily use, strong enough to make a difference

It's real hygiene - not just a mint

DentiMints™ in Action: How It Fits the Outdoors

Flexible Packaging That Works for Retail, Kits, or Packs

- ✦ 10- and 20-count pouches fit in pockets, packs, tackle boxes, and travel gear
- ✦ Buckets (1,000-count) available for bulk resupply, outfitter use, or distribution
- ✦ Ideal for retail placement in camping, fishing, and hunting gear sections
- ✦ Lightweight, durable, shelf-stable - no prep or cleanup required
- ✦ A smart hygiene addition for outdoorsmen, survivalists, and recreational users alike

Why DentiMints™ Isn't Just Another Mint

Not a Mint. Not Gum. Not Toothpaste.

Mints

- Mask odor
- No hygiene benefit

Gum

- Leaves waste
- Doesn't clean teeth or protect enamel

Toothpaste

- Requires brushing, water, and cleanup
- Not practical outdoors

DentiMints™ provides real oral care with no tools and no water. It's hygiene that goes with you - from mountain to river to trailhead

What Makes Dentimints™ Different

On-the-Go Oral Hygiene For The Outdoors

**Not a candy or breath
mint - it's true oral care**

- ✦ Unlike anything else in the camping or trail hygiene space
- ✦ Cleans and supports the whole mouth - not just freshens breath
- ✦ Requires no brushing, rinsing, or water
- ✦ Lightweight, durable, and easy to pack

Why It Works For Everyone

Smart Hygiene For Any Outdoor Lifestyle

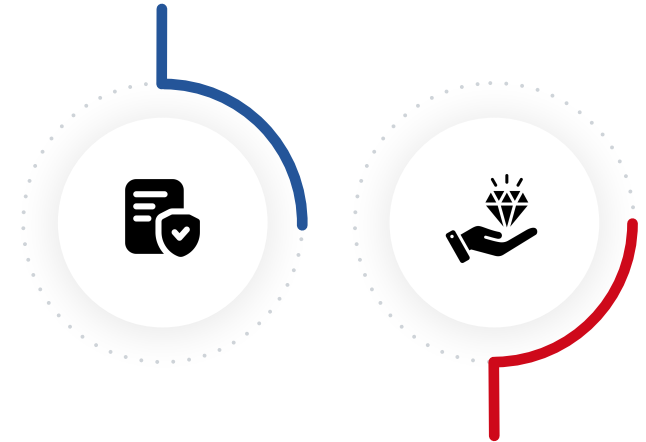

Works for hikers, campers, anglers, hunters, guides, and survivalists

Helps protect oral health on trips, in basecamps, or during multi-day treks

Keeps users feeling fresher, healthier, and more comfortable in the field

Respects pack weight, space, and hygiene concerns - no compromise

A simple upgrade that supports every outdoor brand's promise of readiness

Solves a gap no one else is addressing - and does it naturally
