CHEWABLE DENTAL MINTS

Brushless, Waterless, On-the-Go Oral Care

Chew ✨ Swish ✨ Clean ✨ Fresh

Meet DentiMints™

Real Oral Hygiene for Busy Student Life

A chewable dental mint delivering full-mouth hygiene in 30 seconds

TSA-friendly, resealable, and perfect for use in dorms, backpacks, or vending

Designed for busy students who are on-the-go

No fluoride, no SLS, no dyes, no aspartame - clean-label and student approved

Portable, shelf-stable, and ready for campus retail or wellness distribution

The Challenge

Oral Hygiene Gets Overlooked on Campus

28% of students brush only once per day

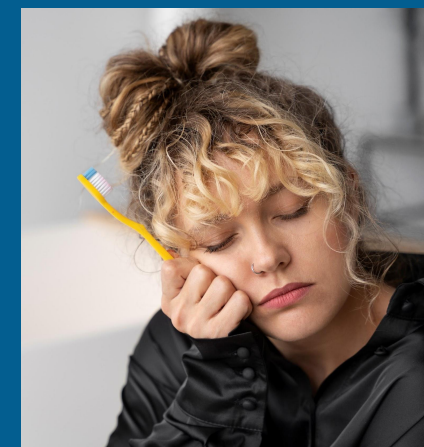

Many skip dentist visits unless something is wrong

Over 50% report bleeding gums when brushing

Traditional brushing is often skipped during finals, all-nighters, or travel

Gum and mints freshen breath but do nothing to clean teeth

Student Environments - The Hygiene Gap

A Real Need for On-the-Go Oral Care

Students want to feel clean
- they just don't have the
right tool!

Frequent snacking, caffeine, and
dorm life disrupt oral care

No privacy or convenience
for brushing in public areas

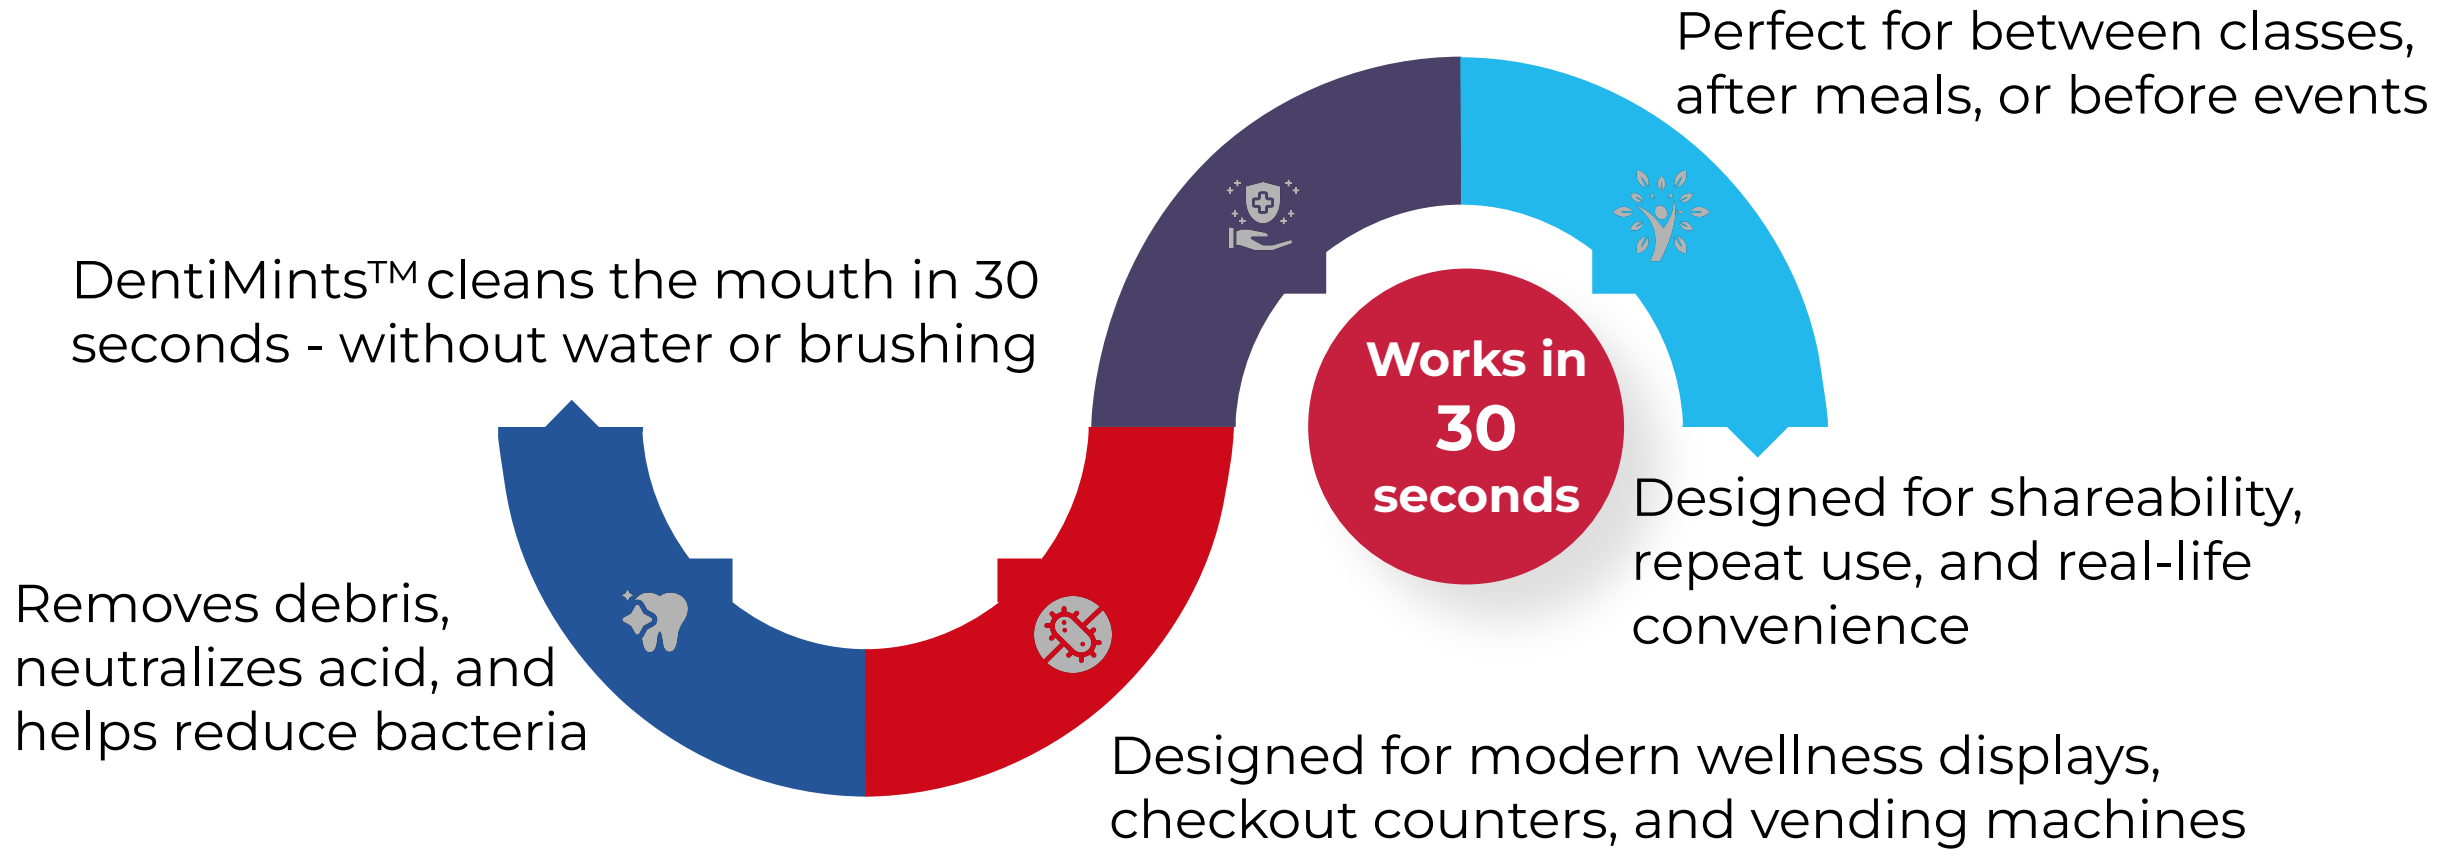

Brushing after meals is rare
- habits suffer

Most students don't carry oral care
products with them

The Solution

Real Oral Care - Anytime, Anywhere

How It Works

Chew. Swish. Clean. Fresh.

No toothbrush? No sink? No problem!

Chew the tablet to
activate ingredients

Swish as it
dissolves – no
water required

Removes debris,
neutralizes acid, and
freshens breath

Leaves a clean mouth –
anytime, anywhere

Oral Care For Real Life

Hygiene That Matches Student Habits

Students carry phones, chargers, and even sanitizer—but rarely a toothbrush. This fits easily into pockets and routines, stepping in after energy drinks, fast food, or late-night snacks. It encourages hygiene when brushing is skipped and adds confidence before interviews, dates, or campus events.

How DentiMints™ Supports Campus Retailers

High-Turn Product With Real Wellness Value

Not candy - this is functional hygiene

Peggable, resealable pouches ideal for personal care or grab-and-go racks

✱ Works in vending machines, bookstores, and campus cafés

High repeat rate with health-conscious student buyers

New revenue stream from an untapped category

Trusted, Effective, Proven Ingredients

Clean-Label Formulation That Delivers

ExoCyan Cran™

- Patented cranberry extract with antioxidant properties that help reduce harmful bacteria and support gum health

Xylitol

- A natural sweetener that helps prevent plaque buildup & supports a balanced oral microbiome

Calcium Lactate

- A bioavailable mineral that strengthens enamel and aids in remineralization

Sodium Bicarbonate

- Neutralizes acid, balances oral pH, and helps remove debris

Silica

- A mild abrasive that helps clean and polish teeth when traditional brushing isn't possible

Scientifically Supported Oral Care

Real Ingredients. Real Results. No Hassle.

Supports enamel and gum health - even when brushing is skipped

Trusted ingredients that align with student health trends

Shelf-stable and practical for campus wellness teams

No harsh antiseptics or artificial ingredients

Helps reduce plaque and odor-causing bacteria

Remineralizes teeth and removes debris

DentiMints™ In Action - Campus Retail

Fits in All the Right Campus Channels

- ★ Campus bookstores, c-stores, and checkout racks
- ★ Vending machines in dorms, libraries, and gyms

What Makes Dentimints™ Different

A New Category for Campus Wellness

**Not breath mints or
gum - it's oral care that
works!**

- ✦ Doesn't rely on brushing, rinsing, or water
- ✦ First-to-market in portable dental hygiene for students
- ✦ Clean ingredients meet health-conscious standards
- ✦ Practical for students, profitable for campus retail

Why DentiMints™ Is Not Just Another Mint

The Only Functional Hygiene Option at Checkout

Mints

- Mask odor
- No hygiene benefit

Gum

- Not discreet
- Doesn't clean teeth or protect enamel

Toothpaste

- Requires brushing, water, and time
- Not practical on the go

DentiMints™ Cleans, freshens, protects - anywhere, anytime!

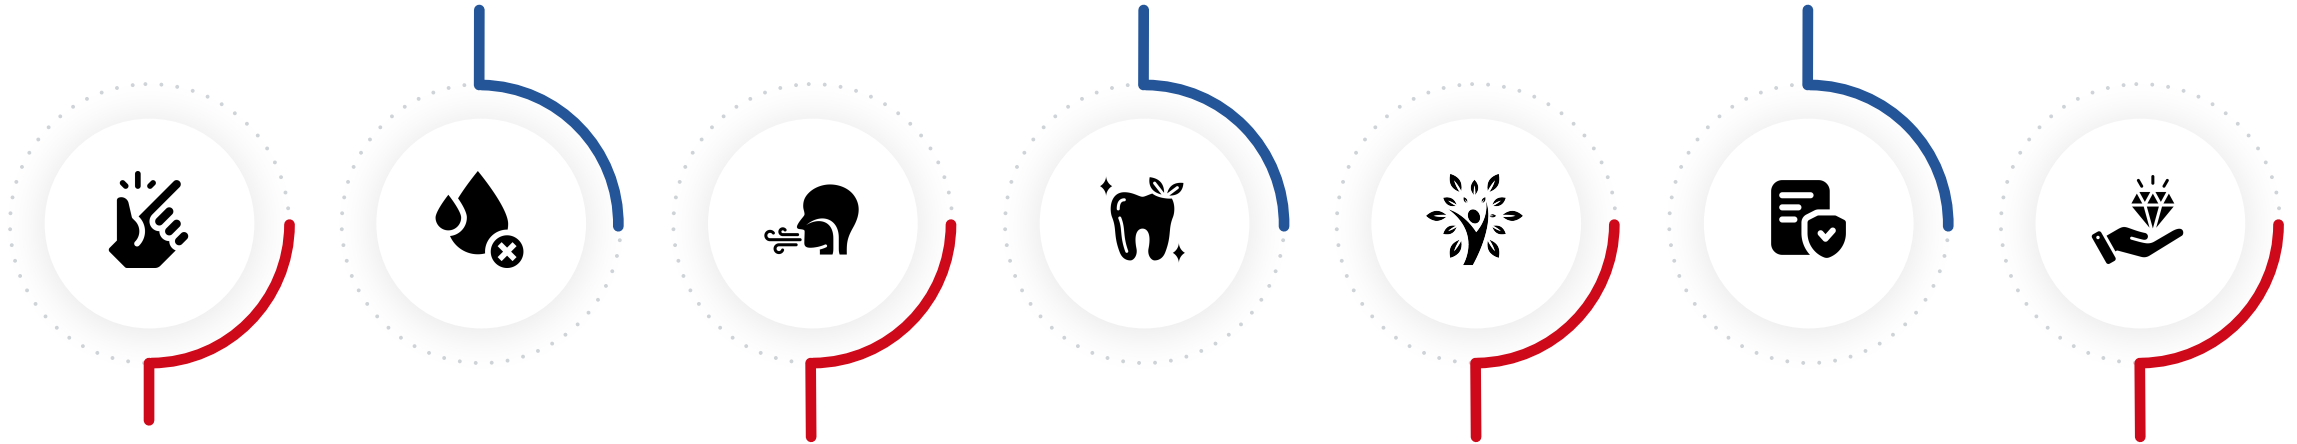

Why It Works For Everyone

Smart Hygiene. Strong Value. Campus-Ready.

Reinforces oral hygiene habits during a critical life stage

Fits in campus vending, health outreach, or retail programs

Students love the simplicity - universities love the results

Fits into daily health habits- no tools, no rinse, no barriers

Functional health meets retail demand

Solves a gap no one else is addressing - and does it naturally
