CHEWABLE DENTAL MINTS

Brushless, Waterless, On-the-Go Oral Care

Chew ✨ Swish ✨ Clean ✨ Fresh

Meet DentiMints™

REAL oral care for people on the move

A chewable dental mint that provides full-mouth hygiene – no tools, water, or rinsing required.

Designed for truck drivers, commuters, travelers, and anyone constantly on the go.

No fluoride, no SLS, no dyes, no aspartame. Clean label product.

Sweetened with monk fruit extract (>70% mogroside V)

Finally brings real oral care to the convenience channel – not just breath-freshening.

The Challenge

Oral hygiene is completely overlooked in the C-store environment

Convenience stores offer energy drinks, candy, protein bars, and gum – but nothing for fast oral hygiene.

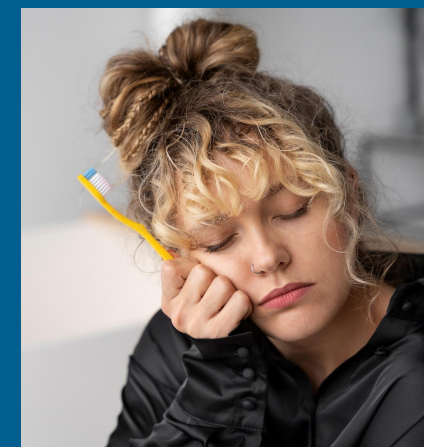

Drivers, shift workers, and on-the-go consumers are often away from home for 8–12 hours.

That means no access to running water, no tools, and no practical way to maintain oral hygiene.

Gum and mints may mask breath, but they do nothing to clean the mouth or support oral health.

C-stores meet nearly every need for mobile lifestyles – except this one.

The Oral Hygiene Gap in C-Stores

Mobile shoppers want convenience – but also value functional solutions

DentiMints™ offers a full-mouth cleaning in 30 seconds, with no tools or rinse required.

No true mobile oral hygiene products available at checkout or in travel aisles

Customers can grab instant energy – but not instant oral care

Drivers and workers often go 10+ hours without refreshing their mouth

Portable, waterless hygiene hasn't existed – until now

The Solution

Real Oral Care - Anytime, Anywhere

Ideal for drivers, travelers, and on-the-go workers who can't stop to brush or rinse

Built for convenience – shelf-stable, portable, and always ready to use

In 30
seconds
or less

DentiMints™ are chewable dental mints that clean the entire mouth

Helps reduce bacteria, balance pH, and freshen the mouth – with no rinse or tools

A practical, premium alternative to gum or candy – with true health benefits

How It Works

Chew. Swish. Clean. Fresh.

No toothbrush? No sink? No problem!

Chew the tablet to
activate ingredients

Swish as it
dissolves – no
water required

Cleans teeth and
gums while
supporting enamel
and pH balance

Refreshes the entire
mouth, quickly and
easily
