# Meet DentiMints™

## Oral Care That Moves With Your Members

Chewable dental mint that supports full-mouth hygiene in under 30 seconds

No water, brushing, or rinsing required -perfect for post-workout use

Built for busy, active lifestyles where oral care is often skipped

Clean-label formula: no fluoride, SLS, dyes, or aspartame

Designed for people who consume pre-workouts, energy drinks, or protein bars

# The Challenge

## Oral Hygiene is Overlooked in Fitness Environments

Most gym-goers don't brush after workouts - no tools, no time, no privacy

Sugary supplements and energy drinks increase oral health risks

Dehydration and mouth breathing worsen dry mouth and bacteria buildup

No practical solution exists for fast oral hygiene post-training

Oral health impacts both performance and long-term wellness

# Event Environments: The Hygiene Challenge

## Fitness Minded Members Want Functional, On-The-Go Solutions

DentiMints™ gives people a way to maintain oral care in real-time - anytime, anywhere

No oral hygiene options available anywhere in facilities

High-acid diets and sweat-related dry mouth compound dental risks

DentiMints bridges the gap with fast, waterless cleaning

Adds oral care to the wellness routine - without interrupting it

# The Solution

## A Quick Oral Care Fix - Anytime, Anywhere

A fresh, confident solution people will use. No water. No brush. No mess.

Easy to use on the way out or just before or after workouts

**In 30**  
seconds  
or less

DentiMints™ dental mints deliver complete oral hygiene

Helps reduce harmful bacteria and balance oral pH post-workout

Freshens breath while protecting teeth from acidic sports products

# How It Works

## Chew. Swish. Clean. Fresh.

**No toothbrush? No sink? No problem!**

Chew the tablet to  
activate the oral care  
ingredients

Swish as it dissolves  
– no water required

Gently cleans  
teeth and gums,  
supporting  
enamel and pH

Leaves mouth  
refreshed, clean, and  
workout-ready

# Oral Care For Real Life

## How Members Use DentiMints After a Workout

After a workout, gym members are often heading straight to their next destination; whether that's work, errands, or meeting friends. Brushing their teeth at the gym is rarely convenient, leaving them without a practical way to refresh and care for their mouth.

DentiMints™ fits seamlessly into this routine, providing a fast, waterless solution that cleans the entire mouth in 30 seconds. Whether members have been hydrating with sports drinks, snacking on protein bars, or simply working up a sweat, DentiMints ensures they leave feeling clean, confident, and ready for what's next

# How DentiMints™ Supports Member Wellness

## More Than Fresh Breath - It's Functional Oral Hygiene

Reinforces your facility's commitment to total-body health

Helps members feel clean, confident, and performance-ready

✕ Reduces harmful bacteria while stimulating saliva

Neutralizes acid after fitness drinks and bars

Supports enamel, gum health, and microbiome balance

# Trusted, Effective, Proven Ingredients

## Real Oral Care, Built From Clinically Supported Ingredients

### ExoCyan Cran™

- Patented cranberry extract with antioxidant properties that help reduce harmful bacteria and support gum health
